

## **Public Notice to Boil Water**

**June 03, 2024**

**Due to a water main break the Texas Commission on Environmental Quality (TCEQ) has required the City of Rusk, PWS# 0370003 to notify customers of the need to boil their water prior to consumption.**

**To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and making ice should be boiled and cooled prior to use. The water should be brought to a vigorous, rolling boil and then boiled for two minutes. In lieu of boiling, you may purchase bottled water or obtain water from some other suitable source.**

**When it is no longer necessary to boil the water, the water system officials will notify you that the water is safe for consumption. Instructions to discontinue boiling will be issued in the same manner as this notice.**

**This notice is for the City of Rusk Only for these customers.**

**West of the intersection of FM 343 and US Hwy 84 West. Including the following streets. US Hwy 84 West, Echo Lane and FM 1248.**

**If you have questions concerning this matter, you may contact Thomas Thompson Utilities Director at 903-683-2321 or City Hall at 903-683-2213. If a customer wishes to contact the TCEQ, they may call 512-239-4691.**
